Claudia Endler Engagement and Bridal Designs

February 7, 2010 - lally

Los Angeles Beverly-based Claudia Endler Designs is a premier designer of distinctive, contemporary jewelry specializing in combining the best of organic design, art and architecture. Each design features architectural- and geometric-inspired elements to create a sculpturally visual impact and is handcrafted in silver, 18k white, red or yellow gold or platinum. Collections and custom designs include singularly unique creations for men and women, such as stackable rings, statement pieces and wedding designs.

Tip & Tricks

When you are searching around for fashion items don't forget about sunglasses. Save money buying wholesale sunglasses over retail.
