Jewelry Love: Claudia Endler Designs

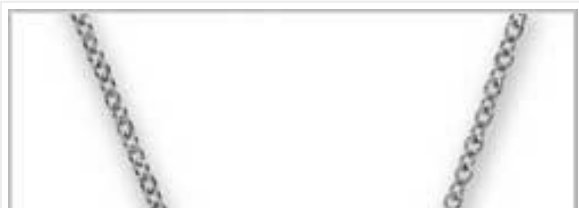

A wedding is a memorable event for all of those involved; especially your bridesmaids. You choose to surround yourself with your closest ladies on your big day, relying on their assistance, love, and support to help you throughout the day, and often the months before. So how do you repay them for such a job? Might I suggest a memorable gift such as a keepsake piece of jewelry from [Claudia Endler Designs](#); her "Infinitely modern" designs are both stunning and timeless. Any piece from the CED collection or the MODEUX collection by Claudia Endler Designs is sure to be treasured and passed down for the years to come. A few of my favorite selections...

The Silver & Gold Bead Triangle Earring

Simply gorgeous and versatile enough to be worn day or night.

Blackened Bead on Chain Necklace

I just cannot get enough of this one!

I think that what stands out most about all of the items in the CED collection is the striking simplicity about them. From the designer; "I use the power of proportion, attention to detail, and the omission of the non-essential elements to bring each piece to its minimum and purest form." Claudia Endler. Each piece is

I believe in manicures. I believe in overdressing. I believe in primping at leisure and wearing lipstick. I believe in pink. I believe that laughing is the best calorie burner. I believe in kissing; kissing a lot. I believe in being strong when everything seems to be going wrong. I believe happy girls are the prettiest girls. I believe that tomorrow is another day, and I believe in miracles.
