## Caught up with Claudia Endler Designs

09.29.2010

COOL FINDS

"The" Claudia of **Claudia Endler Designs** her line as "timeless and infinitely modern jewelry." I guess what fascinates me the most about her work is that they are pieces that make a statement without being too trendy or over-the-top. They're bold enough for you to want to take a second glance, but not too gaudy. Earrings & necklaces to bracelets & rings, there's a little something-something for everyone, for every budget too!

{left to right - row 1: **cantilever ring, prenite ring**; row 2: **cylinder dangle earrings on chain, double cylinder necklace**; row 3: **centerpoint bar pendant silver, hematite pendant**; row 4: **wide cuff, blackened quartz drop necklace**; row 5: **cylinder bar necklace, black onyx drop silver lariat**}
