5 minutes with Claudia Endler Designs

Claudia Endler is a jewelry designer and gallery owner based in Los Angeles, CA. She has won numerous awards and design competitions over the years with her leading contemporary designs. “Timeless and infinitely modern jewelry” is how Claudia describes her pieces and to be honest this couldn’t be a more accurate description of Claudia Endler Designs. And when you meet the designer you realize that Claudia is the truthful personification of the CED brand: modern, sleek and very sophisticated. Yet, you’ll be surprised to find out how very down to earth and approachable she is.

Claudia works mostly on bespoke, special pieces for her clients. She is known for her alternative, very modern bridal designs and for her gorgeous Commitment rings. CED throws some legendary Chocolate Martini parties at her studio & Art gallery, and she’s a staple of the Brewery Art Walk in Los Angeles (next [Brewery Art Walk](#) is on April 26 & 27th so be sure to visit if you’re in the LA area).

Claudia was kind enough to spend 5 minutes of her busy time with SpaceUnseen and tells us a little bit of what’s going on in her studio right now. She answered a shorter questionnaire and sent us some picks of her studio. (I’m pretty sure everything took way more than 5 minutes and I’m very thankful to have more photos than I asked for!)

5 MINUTES WITH...

WHAT DO YOU LIKE MOST ABOUT YOUR STUDIO?

I have a dedicated space for my work designed and built by my friends, and I helped.

FAVORITE PIECE OF JEWELRY YOU EVER DESIGNED?

Don't ask me to pick a favorite child.

CURRENTLY OBSESSED WITH WHICH GEMSTONE?

Lapis and amethyst, as I am designing pieces for clients using these stones so I am constantly thinking about them.

WHAT DO YOU LOVE & HATE DOING AT THE BENCH/DESIGNING?

Love carving waxes, especially for engagement commitment rings...I find it "zen" like. I stay away from soldering....way too stressful for me. (and not very "zen" like!)

WHAT PIECE OF JEWELRY DO YOU ALWAYS WEAR?

My commitment rings to myself. Three rings stacked together in white gold and diamonds. Don't leave home without them.

WHAT'S ON YOUR DESK RIGHT NOW

Oh my... three phones, a camera, micrometer, two pair of reading glasses, pricing sheet with dimensions, shipping label, checks and bills, thank you notes which I am to write, a glass of water, an almost empty cup of English breakfast tea, client folders, my inbox, 2 pencils, a pencil sharpener, 2 pens, a small vase with four peach roses, a spiral notebook, five sticky notes, computer monitor, a materials catalog, INstore magazine, keyboard, mouse, and a book I just received as a gift from a friend "The Savoy Cocktail book".

PICK 3 OBJECTS IN YOUR STUDIO THAT MAKE YOUR SPACE YOURS

A picture my friend Ana photo shopped together of me on the cover of Vogue Magazine. Business license with Claudia Endler Designs on it, pictures of me with friends/family.

IF YOU WEREN'T A JEWELER/JEWELRY DESIGNER

Doing something creative or representing others who are.
